

Corporate Collection

for schools, colleges,
universities and clubs

Product Range

Luke Eyres has been supplying British schools, colleges, universities and clubs for the last two centuries. Our current corporate range comprises college style scarves, ties and mascot bears with a miniature college scarf.

Luke Eyres is considered to be one of the developers of the traditional university scarf and we hold an extensive library of scarf designs for British institutions.

Whilst preserving original methods of manufacturing, we offer both traditional and contemporary ranges of materials and finishes to meet the needs of schools and sport clubs as well as colleges and universities.

Our current range of college Style scarves includes traditional Saxony wool, Saxony with micro fleece back and micro fleece. Matching scarves can be used for mascot bears, proving to be a popular gift and memorabilia item for schools, colleges and universities.

Our made to order service will help you to design a new college scarf or tie for your institution, featuring a bespoke layout of stripes and colours, which will be unique to your university, faculty or club.

Your scarf can also be personalised with high quality embroidery, for example, your institution's name or logo.

Minimum Order Quantities

Scarves and mascot bears – 6 per style.

Woven ties – 36 per style.

Please note that a surcharge will apply to any smaller orders.

Delivery

Order delivery - 6-8 weeks from the approval of the sample.*
